Bob and Dave- Got this from ORC and Tate Kunkle

The [redacted] from the last sample set might be [redacted] **Ex. 6 - Personal Privacy**
The [redacted]-1 could be either the [redacted] **Ex. 6 - Personal Privacy** Do you recognize either of them or the other new names from the houses
we stopped at?...I think the [redacted] **Ex. 6 - Personal Privacy** are both deceased..
I still don't see anything that could match up with [redacted] **Ex. 6 - Personal Privacy** sampling ID's.

Maybe that is the additional sampling data they will be sending..

THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

Hi All,

When I spoke to the lawyer representing some of the residents today, I asked if he could tell us which area residents are his clients. Here is the list his firm provided. He indicated that he would be calling his clients today to encourage them to cooperate with EPA's survey/interview. He also mentioned that he will be emailing me additional sampling data in the next day or so. When I receive it, I'll forward it on.

If this information should be provided to anyone else on the team, please forward it to them.

Thanks,
Humane
